

A threat stating “I will bomb da school” was found written on the stall door in our middle school boys bathroom. The administration immediately evacuated the building and contacted law enforcement authorities. A K-9 unit was called, and a search was performed to ensure that the building was safe. Law enforcement cleared the building at approximately 2:20 p.m.

Although we had no reason to believe this was a viable threat, all necessary safety precautions were taken to protect our students.

Incidents such as this cause a major disruption to the school day and emotional distress to our students. These types of threats will not be tolerated. The district and law enforcement officials will work diligently to find out who wrote this statement and prosecute to the fullest extent of the law.

A reward leading to the arrest of the individual responsible for the threat is available through silent observer at 1-800-554-3633
