

# Hopkins High School Parking Permit Application

Parking on school grounds is a privilege for students. In an effort to keep our property safe for all students the following conditions apply for students to be permitted to drive to and park on our property:

-All vehicles must be registered and display a Hopkins High School Parking Permit for the current school year. Permits are \$5 and available in the office.

-Safe and courteous driving and parking is mandated by law and enforced by HHS Administration.

-Parking shall be contained to one space per vehicle, with the vehicle centered within the provided lines.

-Driving on anything except the paved parking lot is not permitted.

-Parking must take place only within marked and designated spaces. NOT on grass, mud, snow mounds, or cement barriers.

Consequences for failing to meet the above criteria could include restricted parking privileges, property repair costs, or the towing of vehicles in violation.

All money collected for parking permits is put into the Hopkins High School Scholarship fund.

By signing and returning the attached form, both parent and student agree to the terms stated above.

## Handbook Acknowledgement Form

The student handbook and athletic handbook can be found on our website ([www.hpsvikings.org](http://www.hpsvikings.org) - click on the high school link). An icon for the student and athletic handbooks can also be found on the desktop of each student's netbook. By signing this acknowledgement form, we state that we know where to access the handbooks and agree to abide by all the policies set forth in the handbook including the athletic handbook and Technology Acceptable Use Policy (found in the student handbook).
