Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-23 educational progress for Hopkins Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Scott Stockwell for assistance.

The AER is available for you to review electronically by visiting the following web site <https://bit.ly/3c8UyYr>, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as "Not identified as CSI, ATS, or TSI".

MISCHOOldata.ORG

For the 2021-22 year, the state has updated the Parent Dashboard for School Transparency comparing schools all across the state. It can be found at mischooldata.org. This dashboard contains information about the services and offerings, student data, staff data, and is called the School Index. Our data can be found at mischooldata.org.

The Michigan School Index System measures public school performance in six key areas—student growth, student proficiency, school quality/student success, graduation rate, English Learner progress, and assessment participation.

Schools receive credit in each area based on the degree to which it meets the state targets and an overall index value ranging from 0-100. The Michigan School Index System is used to identify schools for support.

Our rating in each category is as follows:

School Quality and Student Success Index: 69.85
 Growth Index: 46.03
 Proficiency Index: 58.39
 Overall Index: 56.15
 Assessment Participation Index: 100.00

By clicking on each of the categories, you can see exactly what components and the percent weights that go into the score. If you would like to discuss the ratings in more detail, please call and set an appointment.

BUILDING GOALS

In 2021-2022 the building goals for Hopkins Middle School centered on improving our students Physical and Social/Emotional Health through the use of a Multi-Tiered-System of Support (MTSS). The following document is a summary of both the District and the Building Goals.

<p><i>In order to accomplish <u>Hopkins Middle School's Improvement Goals for 2021-2022</u>... all teachers are working on a building improvement goal and an individualized goal from The Thoughtful Classroom Teacher Effectiveness Framework.</i></p>	
<p>District's Target Goals (2018-2023)</p> <p><u>Academics:</u> Goal Statement: We will provide an excellent education that maximizes opportunities for all students.</p> <p><u>Safety/Security:</u> Goal Statement: We will ensure the highest level of physical and emotional safety for all.</p> <p><u>Finance/Operations:</u> Goal Statement: We will maintain financial stability</p> <p><u>Communications:</u> Goal Statement: We will engage in effective internal and external communication</p> <p><u>Facilities:</u> Goal Statement: We will provide excellent facilities that allow for creativity and academic rigor</p>	<p>Hopkins Middle School Improvement Goals 2021-22</p> <ol style="list-style-type: none"> 1. Hopkins Middle School will improve both physical and social/emotional health and safety procedures for students, staff and the community. (Note this goal was the appropriate goal left-over from the previous year). <p><i>This document was prepared after the 21-22 school year as a reflection on the major initiatives done this year.</i></p>
<p>District-Wide Strategic Plan Summary</p> <p><u>Mission:</u> Partnering with a supportive community to empower students by giving them the knowledge and skills necessary to contribute in caring and thriving communities.</p> <p><u>Vision:</u> Cultivating lifelong learners who contribute to a global community</p> <p><u>Belief Statements:</u> We believe....</p> <ul style="list-style-type: none"> • Students deserve a safe learning environment. • Education is a shared responsibility. • Critical thinking, problem solving, and adaptive skills are needed for our ever changing environment. • Students learn best when actively engaged. • District success is built on a culture of collaboration. • Short-term and long-term impact should be considered in decision making. • Acceptance, tolerance and respect are essential. 	<p>Building Strategies The How</p> <p>Goal 1: Physical and Mental Health</p> <ol style="list-style-type: none"> 1. Improve the quality of our Social-Emotional programming by implementing curriculum in advisory throughout the building. This includes adopting a Curriculum called "Character Strong" a social-emotional curriculum for students. 2. Use PD days to reinforce Character Strong Curriculum. 3. Re-scheduling At-Risk counselor to help serve students at elementary and middle school level. 4. Partner with Pine Rest to work with an "In-School Therapist" for students. 5. Allow outside tele-health meetings with private counselors to happen when necessary. 6. Bring back spirit days and assemblies within ACHD guidance. Focus on a "return to normal" school schedule including 5 day weeks for students and staff.

ADDITIONAL INFORMATION

In addition to reporting our school improvement goals, the State law requires that we also report this specific information to you, our stakeholders:

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Students are assigned to schools in Hopkins Public Schools district by grade level. Students that are in grades 6-8 are assigned to Hopkins Middle School. Students advance through the grade levels based on grades and developmental appropriateness.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

In 2021-22, the district was in the fourth year of a 3-5 year Improvement Plan. The HMS School Improvement Plan and daily operations supported the District Improvement Plan. Above are the key points from the new 3 – 5 year District Improvement plan.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

This section does not apply to HMS as we are not a specialized school.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

To access a copy of our HMS curriculum with links to State and National Standards visit:

<http://www.hpsvikings.org/our-schools/hms/courses-and-curriculum/>

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

The 2021-22 M-STEP test was taken by all eligible students. There was a change in how the test was designed from 2014-15 to 2016-17. Although the test has seen some changes, Hopkins Middle School is performing consistently at or just above the state average on this type of high stakes test prior to this year. The results from the test can be seen below. Lower results from the 21-22 school year are being attributed to a "COVID Bubble" by many schools across the state. If you are interested in having a more in-depth discussion about Hopkins Middle School results on high stakes tests, please call and set an appointment.

In closing, the education of your student is of the utmost importance at Hopkins Middle School. The 2021-2022 school year began as fully in-person even though there were still COVID restrictions in place. By the end of the year those restrictions were lifted and we began returning to pre-COVID procedures. While this transition presented challenges, I believe that our students, staff and community support has helped us clear those hurdles. I'm anticipating a strong rebound in our State Index scores for the current school year.

Sincerely,

Scott Stockwell
Principal
Hopkins Middle School
