It is the intent of the parties to this Agreement that the grievance procedure set forth herein shall serve as a means for a peaceful settlement of disputes that may arise between them as to the application and interpretation of this Agreement. A grievance shall be an alleged violation of the expressed terms of this Agreement.

Any grievance not answered within the time limits by the District may be processed to the next step of the grievance procedure, and any grievance not appealed by the Union within the time limits shall be deemed withdrawn by the Union. However, the parties may only agree in writing to hold in abeyance or extend the time limits at any step of the grievance procedure.

Any employee having a grievance shall present it to the Employer as follows:

Step 1. An employee with a grievance shall discuss the grievance, with or without a Steward and/or Chapter Chairperson, with the immediate supervisor within ten (10) regularly scheduled working days of the alleged occurrence. The immediate supervisor shall give a verbal answer, documented in writing, within five (5) working days of such discussion, both to the Grievant and the appropriate Steward and/or Chapter Chairperson.

The Superintendent or designee shall answer the grievance, in writing within five (5) working days after such meeting, providing a copy to the Council 25 Representative. The Chapter Chairperson shall sign and date the Superintendent's or designee's copy of the grievance upon receipt.

Step 4. If the answer at Step 3 is not satisfactory, the grievance shall be referred to Michigan Council #25, AFSCME, AFL-CIO. In the event Michigan Council #25, AFSCME, AFL-CIO should determine that the Step 3 answer should be appealed, it shall notify the Employer in writing within thirty (30) calendar days of the Step 3 answer. The parties shall attempt to select an Arbitrator on an ad hoc basis. If the parties cannot agree on an Arbitrator, they will select one pursuant to MERC or AAA. The Arbitration Hearings shall be conducted in accordance with the rules of the American Arbitration Association.

The Arbitrator shall base his decision on the express terms of this Agreement. The Arbitrator's decision shall be final and binding on the Union, the Employer and the grievant(s)/employee(s). The expenses of the Arbitrator shall be shared equally between the District and the Union, except that each party shall assume its own cost for representation including any expense of witnesses. However, no unit employee shall lose time or pay for participating in grievance meetings with the Employer or the arbitration procedure. However, all investigations will be processed at times which don't interfere with assigned duties, unless approved by Superintendent or designee.

Only one grievance may be processed to and heard by any one Arbitrator at any one time unless, it is otherwise agreed to in writing between the parties.

POWERS OF THE ARBITRATOR

Powers of the arbitrator are subject to the following limitations:

1. The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.

4. The arbitrator shall have no power to issue an award on any claim for which there is another forum established by law.
5. If either party disputes the procedural arbitrability of any grievance under terms of this Agreement, the arbitrator shall have no jurisdiction to decide the grievance until the procedural arbitrability has first been determined by the arbitrator. Substantive arbitrability questions may be submitted by mutual agreement.

EXCLUSIONS

The following matters are not subject to the arbitration procedure:

1. The qualifications established by the Employer in the job description.

2. The discipline, termination, or failure to re-employ a probationary employee.

Individual Adjustment

Nothing in this Agreement precludes an individual from presenting a concern or grievance and having the concern or grievance adjusted without the Union, provided the adjustment is not inconsistent with this Agreement, and the Union is given an opportunity to be present at any adjustment conference and is provided with documentation of any settlement. The Union, and not the individual employee, has sole discretion over proceeding to arbitration.

When an employee finishes the probationary period, the employee shall be entered on the seniority list of the unit and shall rank for seniority from the first day of work. There shall be no seniority among probationary employees. By mutual written agreement the above probationary period may be extended up to an additional twenty (20) work days. When such employees satisfactorily complete the probationary period, the seniority date shall be the first day of work.

(b) The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment as set forth in Recognition of this Agreement, except the discharge and discipline of such employees for other than Union activity. Probationary employees may be disciplined up to and including termination without recourse to the grievance/arbitration procedure.

(c) Seniority shall be the length of continuous service on a bargaining unit-wide basis in a full or part-time bargaining unit position, in accordance with the employee's last date of hire, since which the employee has not quit, retired or been discharged for good reason. Effective July 1, 2002, employees must work at least 1200 hours per year to obtain a full year seniority; employees who work less than 1200 hours per year shall receive one half year seniority credit.

In the event of a tie, position on the seniority list will be determined by the last four (4) digits of each employee's social security number with the lowest four digit number ranked first.

(d) In order that each new bargaining unit member may be made familiar with the provisions of this Agreement and his/her rights and responsibilities thereunder, the Employer will allow the Council 25 Staff Representative, Chapter Chairperson, or area Steward an opportunity to meet with new bargaining unit members within thirty (30) days of their arrival within the Local Union's jurisdiction. The meeting will be allowed to take place privately in an appropriate

Within ten (10) working days after posting, objections to the list shall be filed. If no objections are filed, the list shall be considered accurate and no untimely objections shall be considered. The list will show the date of hire, names, and job titles of all employees of the unit entitled to seniority. Corrected seniority lists will be posted immediately after corrections have been made.

Employees must still comply with the conditions applicable to such vacation or personal leave, and such time will still be counted against the employee's annual FMLA entitlement, if any. Employees should review Appendix 1 for a summary of FMLA rights and obligations.

(g) Unpaid time - when sick, personal or vacation hours are exhausted. For each day of work missed in excess of accumulated sick, personal or vacation leave, the employee shall reimburse to the Board $1/x$ (x = the number of work days as specified in the school calendar for that year) of the Board's yearly benefit cost (health, dental, vision, and/or annuities). This amount shall be deducted from the next paycheck. The Board may take appropriate action, including termination of an employee abusing sick leave.

ARTICLE 38. USE OF FACILITIES

The Union may use a room of the school upon notice to the Superintendent or designee for the purpose of holding Local Union business. The Employer shall have the right to designate the location of the room within the building. Upon approval by the Superintendent or designee, employees may punch out to attend a scheduled Union meeting. Except as stated in the foregoing sentence, it is understood that Union meetings will not interfere with school or work activities.

ARTICLE 39. RECALL PROCEDURE

When the working force is increased after a layoff, employees will be recalled according to seniority, with the most senior qualified employee on layoff within the classification being recalled having the ability to perform the work with minimal instruction being recalled first. Notice of recall shall be sent to the employee at his address on record with the Employer by certified mail. If an employee fails to report for work within ten (10) working days from the date of mailing of notice of recall the employee shall be considered a quit. It is the employee's responsibility to keep the superintendent or designee advised of his/her current address. Recall lists shall be maintained for the length of the employee's seniority or two years whichever is shorter.

ARTICLE 40. LAYOFF DEFINED

Custodial, Custodial/Maintenance, Certified Maintenance, Mechanic, Custodial/Groundworker, and Bus Washer/Cleaner

- (a) The word, “layoff”, means a reduction in the work force. It shall not include a reduction of hours pursuant to Article 22(c).
- (b) In the event it becomes necessary for a layoff, the Employer shall meet with the proper union representatives at least three (3) weeks prior to the effective date of layoff, to discuss the names, seniority, job titles and work locations of those employees contemplated to be laid off.
- (c) When a layoff takes place, employees not entered on the seniority list shall be laid off first providing the more senior employees have the ability to perform the work. Thereafter, employees having seniority shall be laid off in the inverse order of their seniority, i.e., the least senior employee on the seniority list for the affected classification being laid off first.
- (d) Employees whose positions have been eliminated shall have the right to displace the least senior employee in the employee’s same classification in an equivalent position, for which the employee is currently qualified to do the job with minimal instruction. In the event no such position exists within the classification, the employee shall have the right to displace the least senior employee in a lower classification for which the employee is currently qualified to do the job with minimal instruction, provided the employee has more seniority within such classification. For purposes of Articles 39, 40 and 42, “qualified” means that the employee has previously performed the job.
- (e) Employees to be laid off will receive at least fourteen (14) working days' advance notice of the layoff.

ARTICLE 41. CONSOLIDATION OR ELIMINATION OF JOBS

The Employer agrees that any consolidation or elimination of jobs shall not be affected without a special conference.

ARTICLE 42. LAYOFF PROCEDURES FOR SECRETARIES

The following guidelines will be used in the event a layoff of secretaries becomes necessary.

Layoff is defined as a reduction in the work force. It shall not include a reduction of hours pursuant to Article 22(c).

1. The Union Steward and/or Chapter Chairperson will be given not less than thirty-six (36) hours notice of intent to layoff and will be given the opportunity to immediately discuss the circumstances with the Employer.

2. A secretary shall be given at least fourteen calendar days notice of layoff. Secretaries, subsequently displaced, if any, shall be notified of such displacement as soon as practicable, but not less than one working day after the more senior secretary has exercised the right to displace.
- A. In any reduction of the secretarial staff, a secretary will be provided the opportunity to use seniority within their classification as follows:
1. First, to displace the least senior person in a position at the same level, provided:
 - a. The secretary possesses the necessary ability to perform the work adequately, with minimal instruction; and
 - b. The secretary displaced is junior in classification seniority.
 2. Second, in the event the member is unable to displace another at the same level, to displace the least senior person in a position at the next lower level, provided:
 - a. The secretary in question possesses the necessary ability to perform the work adequately, with minimal instruction; and
 - b. The secretary displaced is junior in classification seniority.
 3. Third, the use of seniority set forth in 2 may be repeated at each succeeding lower level.

Any secretary who is displaced may use classification seniority in the same manner.

Upon notification of layoff or displacement, the secretary will be advised as to the position under 1., 2., or 3., above to which displacement rights may be exercised.

The use of seniority to displace another secretary must be exercised within three days following notification of layoff or displacement, whichever is applicable, or the right is forfeited.

- B. Those secretaries having the greatest seniority shall be recalled first, provided they possess the necessary ability to perform the work with minimal instruction.

ARTICLE 43. TRANSFERS OUT OF THE UNIT

If an employee transfers to a position under the Employer not included in the bargaining unit, and thereafter, within six (6) months, transfers back to a position within the bargaining unit, the employee shall have accumulated seniority while working in the position to which the employee transferred. Employees transferring under the above circumstances shall retain all rights accrued for the purpose of any benefits provided in this Agreement.

ARTICLE 44. WAIVER CLAUSE

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE 45. TERMINATION AND MODIFICATION

This Agreement shall be effective August 19, 2025 or upon ratification by both parties and shall continue in full force and effect until June 30, 2028.

- (a) If either party desires to amend and/or terminate this Agreement, it shall, sixty (60) days prior to the above termination date, give written notification of same.
- (b) If neither party shall give such notice, this Agreement shall continue in effect from year to year thereafter, subject to notice of amendment or termination by either party, on sixty (60) days written notice prior to the current year's termination date.
- (c) If notice of amendment of this Agreement has been given in accordance with the above paragraphs, this Agreement may be terminated by either party on ten (10) days written notice of termination.
- (d) Any amendments that may be agreed upon shall become and be a part of this Agreement without modifying or changing any of the other terms of this Agreement.
- (e) Notice of Termination or Modification. Notice shall be in writing and shall be sufficient if sent by certified mail, addressed it to the Union, to Michigan #25, AFSCME, AFL-CIO, 1034 N. Washington Avenue, Lansing, Michigan 48906; and if to the Employer addressed to Hopkins Public Schools, Hopkins, Michigan 49328; or to any such address as the Union or the Employer may make available to each other.
