

Welcome to 5th Grade!

My name is Jeff Brethauer and I would like to welcome you and your child into our classroom this year. We will have a very fun and productive year as we explore the 5th grade curriculum. Student achievement is my first priority and I will work hard to make sure every student experiences success. I am very excited to be starting my 13th year with Hopkins Elementary.

I live in Dorr and graduated from Wayland. Like many residents in our area I love many outdoor activities, kayaking, biking, and fishing. In addition to outdoor activities, I also play many sports for recreation, but also like to slow things down sometimes and read a good book. I have an interest in science and hearing about new discoveries and look forward to sharing my passion for the subject as I teach your child about the world around them.

Supply List

- 3 Folders (2 pocket)
- 1 Composition book (marbled)
- Pencils
- Coloring Supplies (Crayons or colored pencils)
- Glue Sticks
- Pencil Bag
- Scissors
- Gym Shoes

If you need to contact me with any concerns or important information, you may reach me through email or you can call the school. I look forward to working with you and your child this year.
