Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the Hopkins Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Scott VanBonn for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/Ic75MZ>, or you may review a copy in the main office at your child's school.

The main academic challenge at Hopkins Elementary continues to be closing the achievement gap for those students who need targeted and specific interventions in the areas of reading and math. In order to better identify individual student needs, all grade levels (Kindergarten-5<sup>th</sup> Grade) have developed Common Formative Assessments (CFAs) for math, reading and writing. These CFAs give staff much more specific data as to what academic needs each individual student has. During the 2015-16 school year, all students will participate in a 30 minute daily Response to Intervention (RTI) program. This program will provide much needed strategic support during the school day for all students.

State law requires that we also report additional information.

## **1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL**

Students are assigned to schools in Hopkins Public School district first by grade level. Students that are in grades 9-12 are assigned to Hopkins High School. Students that are in grades 6-8 are assigned to Hopkins Middle School. Students that are in grades K-5 are assigned to an elementary based on student resident address and current enrollment and capacity. (Hopkins Elementary School or Sycamore Elementary School).

## **2. STATUS OF SCHOOL IMPROVEMENT PLAN**

Hopkins Elementary has developed a School Improvement Plan with the help of staff and parents stating specific academic goals that support our school and district. These goals are developed by reviewing and evaluating student

### **3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

Both Hopkins Elementary and Sycamore Elementary operate under the same academic rigor and goals. We work closely together for consistency and strive to achieve academic success district wide.

### **4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL**

As mandated by the State of Michigan, Hopkins Public Schools has developed a core curriculum at all school levels. Outcomes to be achieved by all students have been defined based upon the district's educational mission, student performance objectives and Common Core State Standards.

Our current and future curriculum can be accessed at:

<http://www.hpsvikings.org/our-schools/hes/curriculum-guides/>

Through the improvement and availability of electronic materials, curriculum and assessments are regularly updated. Teachers are continually involved in the improvement of their skills through professional development. This professional development takes place in the district, at the Allegan Area Educational Service Agency, as well as other local and regional sites. Teachers are also using a variety of strategies to meet the needs of all students.

### **5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS**

Hopkins Elementary continues to achieve academic success with above average test scores in nearly all state assessments. Current scores and data can be accessed through the following link:
