**PICK UP & DROP OFF**

If you are picking up your child(ren) at the end of the school day, I would like to remind you of a couple things that will help the process go smoothly.

1. Please make sure you have your family number to show the adult who greets you. (We will start dismissing students at 2:45)
2. If you are able, please park in one of our three parking lots and walk to the front of the building to pick up your child(ren). (We like to reserve the loop for parents with infants in the vehicle & grandparents).

Thank you for your assistance in helping this process go as quickly as possible!

PLEASE make sure that whoever is picking up your child, has this number available for our staff to see. Unless you call to make other pick up arrangements your child will not be released to anyone without a number.

**THANK YOU!**
