We have collection bins in the Kindergarten, 2/3rd grade and 4/5th grade open areas.

If you have some at home please feel free to send them in to school with your child. The more we collect the more we save the environment!

## END OF DAY ARRANGEMENTS

Please call the office BEFORE 2:00pm If you are calling to make different arrangements for your child. The office is extremely busy at the end of the day and we don't want any child going to the wrong place.

If you have made arrangements with your child in the morning, and you did not send a note or call the school with those arrangements, your child may not be able to do those arrangements. Please call or send a note letting us know of any changes. We try our hardest to keep your children safe. Please help us continue. Thank you!
