Parents

If you have any questions or concerns about your child’s classroom expectations, please contact the classroom teacher directly. Please do not post questions and/or concerns publicly, via social media. Thank You!

SCHOOL SECURITY

In an effort to create a safe learning environment for the students and staff at Hopkins Public Schools, all guest visiting during instructional time will need to request entry into the building using an security button inside the first set of doors at each main entry. A staff member in the office area will verify your identity and then release the lock on the door. We are sorry for the inconvenience this causes but we feel it is worth the added security it provides.

Dear Parent,

Educational technology and funding changes daily. To keep up with these changes and expenses, our school is participating in our local supermarket's Tools 4 Schools Program.

The Tools 4 Schools Program enables our school to earn Apple Computers and iPads, sporting goods, audio visual equipment, science supplies, hundreds of other items to choose from, and it all FREE.....

To earn these FREE awards we simply have to collect as many register receipts as possible from September 1st, 2018 through March 2nd 2019. Ask your friends and relatives to shop at the sponsoring supermarket identified below and save every receipt.

Send the receipts to school with your student as often as possible. Here at school we will count the value of the register tapes collected and redeem them for great items that benefit your child.

Thank you in advance for your participation.

Below is the name and address of our participating store.
