## Hopkins Public Schools

## The Destination District

### Mission Statement

Hopkins Public Schools will, with the assistance of all those involved in the lives of our students, cultivate a responsive educational system which will develop citizens who are capable of contributing to society and realizing lifelong personal growth. All students will be given the opportunity to develop their maximum potential. It is with this expectation that Hopkins Public Schools, in conjunction with the community, will strive to provide exceptional services so that our students will be successful, not only in education, but also in life.

*Learning Locally,  
Competing Globally*
