

Hello Young Fives Families,

My name is Kelli Mottes (pronounced like “modest” without the t) and I am so excited to be your child’s teacher this year!

This is my fifth year teaching Young Fives at Hopkins Elementary. I studied Elementary and Early Childhood Education at Eastern Michigan University, so teaching Young Five’s is a perfect fit for me!

When I am not teaching, I love to be active, enjoy nature, and spend time with my family and friends. My husband and I have an adorable dog, JoJo, who we just love! Your child will see lots of pictures of her throughout the school year!

We will have so much fun learning and growing together. Please see **The ABC’s of Young Fives** for more details about our year together. Feel free to email me with any questions!

I look forward to meeting you!
