FRIDAY THE 13TH

Are you a *friggatriskaidekaphobe*? That's someone with an irrational fear of Friday the 13th. Some people cancel travel plans, call in sick to work, or refrain from doing business just because of the date. In reality, there's only one thing to fear about Friday the 13th -- that you might be forced to pronounce the word *friggatriskaidekaphobe*.
Now THAT'S scary!

The original value meal is more valuable than ever!

All of our complete meals are

NO CHARGE for all students

Through June 30, 2021.

Available in schools if open or at any remote serving location.

★ OUR NATION'S HISTORY ★

In 1863, at the height of the Civil War, President Abraham Lincoln proclaimed the last Thursday in November the first official "National Day of Thanksgiving." Lincoln urged his fellow American citizens to help "heal the wounds of the nation" and look forward to "the full enjoyment of peace, harmony, tranquillity and Union."

Heroes in APRONS?!

You'll forgive us if we think the folks who work on the front lines of our school nutrition program always make heroic efforts to feed you guys. But that's never been more true than right now. The dedicated men and women who prepare and serve our meals make daily sacrifices so you and all of our community's students can eat well, every day. During this month of giving thanks, please join us in showing
