Has someone made a difference to a student in our district?
Let us know about it!

Kids Heart Challenge

Sycamore Elementary partnered with the American Heart Association to complete the Kids Heart Challenge. Our students had fun learning about their heart with the Heart Heroes while raising money to help fund lifesaving research. All students were able to participate in the challenge during their P.E. classes. Our goal was to raise \$2,000 to help the American Heart Association. Even after many snow days, we raised over \$4,400!!! We will also receive free P.E. equipment as a thank you for our donations. A very sincere "Thank You" to those that helped this great cause!
