Families of Hopkins Public Schools:

Beginning with the first day of school for the 2022-23 school year, school meals will no longer be free to all students. Congress did not pass the waivers to continue free meals to all students. We will go back to applications to determine free & reduced meal eligibility. Those applications will be available after July 1.

We strongly encourage all families to fill out the applications on-line to ease the process. Information will be in your back to school packet.

Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46989, you have used short code texting.

*Terms and Conditions - Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/tc for more info.
